

El Niño Ventures and CanAm Uranium to Commence \$500,000 Work Program on Prolific Bancroft Uranium Property

March 19, 2007, Vancouver, BC – El Niño Ventures Inc. (“El Niño”) (TSX.V: ELN; OTCBB: ELNOF; Frankfurt: E7Q) and CanAm Uranium Corp. (OTCBB: CAUI.OB) (formerly Boulder Creek Exploration Inc.) are pleased to announce that the first phase of a \$500,000 work program will be commencing on the Bancroft Uranium Project. This work program will consist of 1650 meters of drilling on a property that was once home to four past producing mines, producing a total of 14,862,653 lbs. U3O8 between 1956 -- 1982. Subject to results, a follow up drill program is planned.

This work program is the result of an agreement signed with CanAm Uranium formerly, Boulder Creek Exploration Inc. in November 2006. Under the terms of this agreement, El Niño will receive 275,000 shares of CanAm Uranium Corp., and cash payments totaling CDN \$125,000. CanAm Uranium Corp. can earn in a 60 percent interest by committing CDN \$ 1,000,000 over the next two years, and could earn up to 80 percent of the project by issuing a further 300,000 shares and spending an additional CDN \$1,500,000.
