Chairman's Message: Fall 2020

Dear Shareholders:

On behalf of the Board of Directors, I am pleased to update you on the Business Plan for El Niño Ventures, its progress to date, in 2020, and our Goals and Objectives for the balance of this year and beyond.

El Niño Ventures Inc. is an Exploration Company, who for the last 9 years has focused on Exploration for Zinc, Lead, Copper and Silver, and gold on the East Coast of Canada. The Board of Directors has recently agreed to Management's request to look at diversifying the Company into other areas within the resource sector.

Harry Barr, Chairman & CEO

Option-Sale Agreement with Puma Exploration

In 2016, The Company decided to sell, by way of option, the Company's Minority Interest, in our Joint Venture, with Votorantim Metals Canada Inc., more specifically our interest in the Murray Brook Polymetallic Project to Puma Exploration.

By mutual agreement on July 31, 2020 El Niño Ventures Inc. and Puma Exploration Inc. ("Puma") agreed to terminate the asset purchase agreement. Over the term of the asset purchase agreement, ELN received approximately C\$2.1M, 1.1 million shares of Puma and 500,000 Puma warrants. ELN also received the value of approximately C\$2.4M worth of exploration expenditures spent by Puma during the term of the asset purchase agreement on the project, and all of its 32.1% interest in the Murray Brook Project was returned to ELN.

As part of the termination of the asset purchase agreement with Puma, a 0.67% NSR royalty that Puma's subsidiary, Murray Brook Minerals owned, was transferred to ELN.

Commentary

The Junior Exploration sector suffered considerably during previous years, and appears to have reached its bottom. Metal prices have increased considerably in 2020, resulting in a resurgence within the industry and new capital being deployed into both exploration and development.

Management is currently reviewing mineral projects and are focused on acquiring North American gold projects. ELN management and directors continue to work diligently on acquiring financing for the Company and our projects. Our November 2020 cash balance is approximately C\$740,000 (with no debt), other assets include the previously mentioned 0.67% NSR Royalty on the Murray Brook Project and 762,000 Puma Exploration shares plus 500,000 Puma Warrants, exercisable at C\$0.25 until December 2022. **The Company in cooperation with our partner Votorantim Canada continues to hold its minority interest in the Murray Brook Polymetallic Project (predominantly zinc) but is currently marketing its share of the project to third parties with the objective of a sale and using the proceeds to acquire additional mineral projects in North America.**

Zinc prices have increased considerably from its April 2020 lows in the mid-80 cent USD/lb range to the November 18, 2020 price of USD\$1.24/lb.

We look forward to continuing to provide you with updates on our go-forward plan for the balance of our activities in 2020 and beyond. On behalf of the Board of Directors, we thank you for your ongoing support.

For further information on your Company, please visit: www.elninoventures.com.

Opt-In on the website, to receive continued updates on ELN.

On behalf of the Board of Directors,

Yours sincerely,

INFORMATION CIRCULAR

(Containing information as at November 20, 2020 unless otherwise indicated)

This information circular ("*Information Circular*") is provided in connection with the solicitation of proxies by the management of **EL NIÑO VENTURES INC.** (the "*Company*") for use at the Annual General Meeting of the shareholders of the Company (the "*Meeting*") to be held on Tuesday, December 29, 2020, at 70 Old Coach Road, Upper Brookside, Nova Scotia B6L 2L2 at 10:30 a.m. (Atlantic time) and at any adjournments thereof for the purpose set forth in the enclosed Notice of Annual General Meeting ("*Notice of Meeting*").

The individuals named in the accompanying form of proxy are directors and/or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.** Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder's shares are to be voted. In any case, the form of proxy should be dated and executed by the shareholder or his/her attorney authorized in writing, or if the shareholder is a company, under its corporate seal, or by an officer or attorney thereof duly authorized.

The persons named in the enclosed form of proxy will vote or withhold from voting the shares of the Company represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your shares will be voted accordingly. The form of proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the form of proxy, the persons named in the proxy will vote the shares represented by the form of proxy for the approval of such matter.

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a form of proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax within North America at 1-866-249-7775, outside North America at 1-416-263-9524, or by mail or hand delivery to Computershare Investor Services Inc., 9th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1; or

In all cases the form of proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the form of proxy is to be used.

NON-REGISTERED SHAREHOLDERS

The information in this section is important to many shareholders as a substantial number of shareholders do not hold their shares in their own name. Shareholders who hold shares through their brokers, intermediaries, trustees or other nominees (such shareholders being collectively called "*Beneficial Shareholders*"). Beneficial shareholders should note that the only form of proxy that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of shares).

If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Company. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for the Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the form of proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Many brokers delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications or another investor communication service (collectively, for the purposes of this Information Circular, "**Broadridge**") in Canada and the United States. Broadridge will typically mail a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the same persons as the Company's form of proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the shares voted.**

Although as a Beneficial shareholder you may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of your broker, you, or a person designed by you, may attend at the Meeting as proxy holder for your broker and vote your shares in that capacity. If you wish to attend at the Meeting and indirectly vote your shares as proxy holder for your broker, or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your shares.

This Information Circular and related material is being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the proxy.

REVOCATION OF PROXIES

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the registered shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to the Company's transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at 1-416-263-9524, or by mail or hand delivery to Computershare Investor Services Inc., 9th Floor, 100 University Avenue, Toronto, Ontario, Canada, M5J 2Y1 at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's shares.

Only registered shareholders have the right to revoke a proxy. Beneficial shareholders who wish to revoke their proxy must, at least seven days before the Meeting, arrange for their respective intermediaries (as described above) to revoke the proxy on their behalf. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

RECORD DATE

The Company has set the close of business on November 20, 2020 as the record date (the "*Record Date*") for the Meeting. Only the registered holders of common shares, and those beneficial holders entitled to receive notice through their intermediaries, as at that date, are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his or her shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he or she owns such shares, requests at least ten (10) days prior to the Meeting that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth in this Information Circular and except for the fact that certain directors and officers of the Company may have been granted stock options, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any director or executive officer of the Company, any nominee for election as a director of the Company or any associate or affiliate of any such person, in any matter to be acted upon at the Meeting other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The holders of the Company's common shares of record at the Record Date are entitled to vote such shares at the Meeting on the basis of one vote for each common share held. The Company is authorized to issue an unlimited number of common shares without par value (the "*shares*") of which 61,611,970 shares are issued and outstanding as of the Record Date. The Company has no other class of voting securities.

A quorum for the transaction of business at the Meeting is at least one person who is, or who represents by proxy one or more shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to vote at the Meeting.

To the knowledge of the directors and executive officers of the Company, and based upon the Company's review of the records maintained by Computershare Investor Services Inc. and insider reports filed with System for Electronic Disclosure by Insiders (SEDI), as at the Record Date, the following shareholders beneficially owned, directly or indirectly, or exercised control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

STATEMENT OF EXECUTIVE COMPENSATION

The following terms have the meanings set out below:

Chief Executive Officer (“CEO”) means an individual who acted as chief executive officer of the Company, or acted in a similar capacity, for any part of the most recently completed financial year.

Chief Financial Officer (“CFO”) means an individual who served as chief financial officer of the Company, or acted in a similar capacity, for any part of the most recently completed financial year.

Named Executive Officers (“NEOs”) means the following individuals:

(a) a CEO; (b) a CFO; (c) each of the Company’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

Compensation Discussion & Analysis

When determining the compensation of the NEOs, the Board of Directors considers the resources of the Company and the objectives of attracting, motivating and retaining highly skilled and experienced executive officers. The Board of Directors does not have a formal compensation program with set benchmarks, however, the Board of Directors does have an informal program which seeks to reward an executive officer’s current and future expected performance and the achievements of corporate milestones and align the interests of executive officers with the interests of the Company’s shareholders.

The compensation awarded to, earned by, paid to or payable to each of the NEOs for the most recently completed financial year is set out under the heading, “Executive Compensation – Summary Compensation Table”.

Compensation Review Process

The Board of Directors reviews on an annual basis the cash compensation, performance and overall compensation package of each executive officer, including the NEOs.

In establishing levels of remuneration, stock option and bonus grants, the Board of Directors are guided by the following principles:

- compensation is determined on an individual basis by the need to attract and retain talented, qualified and effective executives;
- total compensation is set with reference to the market for similar positions in comparable companies and with reference to the location of employment; and
- the current market and economic environment.

Assessment of Individual Performance

Individual performance in connection with the achievement of corporate milestones and objectives is reviewed by the Board of Directors for all executive officers. While awards are generally tied to performance against quantitative objectives, consideration is also given to an individual’s qualitative contribution to the Company. For example, the Board of Directors will evaluate the individual’s leadership skills, commitment to the Company’s shareholders, innovation and teamwork.

Elements of Executive Compensation

There are two main elements of direct compensation, namely base salary and equity participation through the Company’s stock option plan (the “Stock Option Plan”).

Base Salary

The base fee or salary for each NEO is determined by an assessment by the Board of Directors of such NEOs performance, a consideration of competitive compensation levels in companies similar to the Company and review of the performance of the Company as a whole.

The base fee or salary for each NEO is determined by an assessment by the Board of Directors of such NEOs performance, a consideration of competitive compensation levels in companies similar to the Company and review of the performance of the Company as a whole.

Option Based Awards

In the Company’s view, encouraging its executive officers and employees to become shareholders of the Company is the best way to align their interests with those of the Company’s shareholders. Equity participation is accomplished through the Stock Option Plan.

The Board reviews the performance of the Company's management and advisors from time to time, and recommends option based awards as appropriate, taking into consideration factors such as individual performance and the overall performance of the Company.

Summary of Compensation

As at the year ended January 31, 2020, the Company had two NEOs, being: (i) Harry Barr, Chairman and CEO of the Company; and (ii) Robert Guanzon, CFO of the Company. The following table sets forth a summary of the compensation paid to the Company's NEOs for the fiscal year ended January 31, 2020.

MANAGEMENT CONTRACTS

No management functions of the Company are to any substantial degree performed by a person other than the directors or executive officers of the Company, except as disclosed herein.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Corporate governance relates to activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day-to-day management of the Company. The Board of Directors is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") requires that each reporting company disclose its corporate governance practices on an annual basis. The Company's general approach to corporate governance is summarized below.

The Board of Directors

The Board of Directors is currently composed of three (3) directors.

Independence

Section 1.4 of National Instrument 52-110 – *Audit Committees* ("NI 52-110") sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, three of the four members of the Board of Directors are independent. The members who are independent are Gary Moore and Gordon Chunnnett. Harry Barr is not independent by virtue of the fact that he is an executive officer of the Company. Subsequent to year-end Mr. Neumann resigned from the board of directors, he was an independent member of the board prior to his resignation.

Other Directorships

In addition to their positions on the Board, the following directors also serve as directors of the following reporting issuers or reporting issuer equivalents:

Name of Director	Reporting Issuer(s) or Equivalent(s)
Harry Barr	New Age Metals Inc.
Gary Moore	Goldcliff Resources Corporation Freegold Ventures Limited
Gordon Chunnett	nil

Orientation and Continuing Education

The Company has not adopted a formalized process of orientation for new members of the Board of Directors. Orientation of new directors is conducted on an ad hoc basis.

Directors are kept informed as to matters impacting, or which may impact, the Company's operations through reports and presentations at meetings of the Board of Directors. Directors are also provided the opportunity to meet with senior management and other employees and advisors, who can answer any questions that may arise.

Ethical Business Conduct

The Company has adopted an ethical business conduct policy. The full text of this policy is available on the Company's website at www.elninoventures.com or free of charge to any person on request to the Company at 101 – 2148 West 38th Avenue, Vancouver, British Columbia V6M 1R9; telephone: 604-685-1870.

Whistleblower Policy

The Company has adopted a whistleblower policy. The full text of this policy is available on the Company's website or free of charge to any person on request to the Company 101 – 2148 West 38th Avenue, Vancouver, British Columbia V6M 1R9; telephone: 604-685-1870.

Nomination of Directors

The Board of Directors does not have a nominating committee or a formal procedure with respect to the nomination of directors. The nominees are generally the result of recruitment efforts by the members of the Board of Directors, including both formal and informal discussions among Board members and the President. The current and proposed size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed in advance of a Board Meeting with one or more members of the Board prior to the proposed director's nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an ad hoc basis.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing businesses. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference

is made to the table under the heading "Election of Directors" for a description of the current principal occupations of the members of the Board.
